

### **Sir Ratan Tata Trust Post-Doctoral Fellowships**

The Sir Ratan Tata Fellowship programme instituted in 2000 provides research scholars in India an opportunity to undertake post-doctoral research at the IEG. During the short span of its existence the programme has contributed considerably to promote quality post-doctoral research in the Social Sciences in India. Eleven fellows have taken advantage of the scheme so far.

### **ICSSR PhD Fellowships**

The Indian Council of Social Science Research allocates six institutional doctoral fellowships (five ordinary and one with salary protection) to the Institute every year. The IEG offers these fellowships in economics and sociology.
